

Architectural 13W PAR30S 760LM Dimmable

CIVILIGHT®

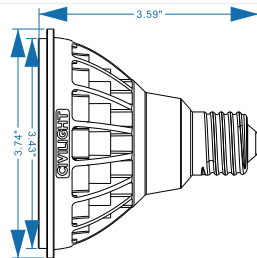

Features

- CRI 95, R9=80, 64LPW
- Glare-free
- Smart heat sink design
- Smooth dimming
- 75W halogen equivalent
- 82% energy saving
- Can be used in enclosed fixtures

Applications

- Track lighting
- Recessed downlight
- Ambient and accent lighting

At \$0.11 per kWh, this 13W LED PAR30 bulb estimates energy cost \$1.57 per year, using \$57.2 of electricity over its 40000 hour lifetime. This is a \$272.8 savings when compared to the \$330 required to run a 75W halogen PAR30 over the same period. Actual savings will vary depending on cost per kWh. 36.5 years means rated average life based on engineering testing and probability analysis where the lamp is used 3 hours per day, 7 days a week.

* Note: Data is subject to change without prior notice. Please visit www.civilight-na.com for further information.

Cautions

- Power off before replacing
- Don't touch lamp when lit
